**Dana Point, CA (Oct. 20, 2015)** – [Laguna Cliffs Marriott Resort and Spa](#) proudly announces the addition of Salvatore Giuliano as Executive Chef for Vue Restaurant and OverVue Lounge. As a 30-year veteran in the culinary world, Giuliano offers decades of experience along with creative, refreshing and ingenious concepts to the AAA Four-Diamond resort.

Chef Giuliano's knowledge and culinary talents range from various dining establishments in Temecula's Wine Country including his most recent endeavor serving as Executive Chef for over twelve years at the helm of resort kitchens. He also offered his culinary experience at Temecula Creek Inn, Rancho Bernardo Inn, under the eyes of French Master Chef Patrick Ponsaty, and The Remington Club by Marriott. For over twelve years Giuliano executed hundreds of weddings and custom menus for special events and corporate groups. Not only has he successfully worked in numerous types of environments, but Chef Giuliano also owned his own wedding cake bakery, Giuliano's Fine Cakes, in Connecticut in his early twenties. Soon after, he owned an Italian Pizza Restaurant in California for 10 years.

Chef Giuliano says his cuisine stems from his grandfather's roots and his parents' teachings as a child, owning restaurants for most of his youth. Chef Giuliano's focus for Laguna Cliffs is to connect with local farmers markets, family farms and the business community to deliver a European Seafood-forward approach for guests to enjoy at Vue Restaurant and OverVue Lounge.

“Chef Giuliano’s wealth of knowledge in the culinary industry and passion for creativity makes him an excellent addition to our Laguna Cliffs team,” said Jim Samuels, general manager of Laguna Cliffs Marriott Resort and Spa. “Laguna Cliffs is thrilled to welcome him to the team, and we cannot wait for our guests to experience all that Chef Giuliano has to offer.”
